Dear Sir or Madam,

Established in 1996, Keshun Waterproof Technology Co., Ltd. is a building materials system service provider whose core business is offering integrated building waterproofing solutions. Our products and services span multiple business sectors including engineering materials, building materials for residential construction, building maintenance, seismic isolation, gypsum plaster, and photovoltaic energy. Currently, the Group has 38 holding subsidiaries and branches, operates over ten production and R&D bases across China, and has nearly 50,000 distribution and service outlets worldwide, ranking among the top 100 listed companies globally in the building materials sector.

After inspection of your company and internal deliberation, we hereby confirm that VNA MATERIALS AND SOLUTIONS COMPANY LIMITED is recognized by our company as a **product distributor and qualified construction service provider** in Vietnam for the period from April 1, 2026, to December 31, 2028. The professionalism and high-quality capabilities demonstrated by your company in the field of waterproofing give us great confidence in the prospects of our future collaboration.

This letter serves only as a confirmation of qualification. Specific cooperation arrangements and the rights and obligations of both parties shall be governed by the formal distributor agreement, service agreement, or other formal contracts to be signed separately.

We wish your company continued growth and success and look forward to an even closer and more fruitful partnership.

Sincerely,

Chairman

Keshun Waterproof Technology Co., Ltd.
